

23rd Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour

6th – 9th April 2009, Heriot-Watt University, Edinburgh

**Adaptive &
Emergent
Behaviour &
Complex
Systems**

Call for symposia in the following and related areas:

**Usability of Complex Systems
and Affective Computing**

**Pervasive, Ubiquitous
and Mobile Systems**

**Biologically Inspired
Complex Systems**

**Complex Systems
and Dependability**

**Socially Inspired
Complex Systems**

Strong proposals in other areas are also encouraged

<http://www.aisb.org.uk/convention/aisb09>

Deadline for symposium proposals: 30th June 2008

Convention Chair
Nick Taylor
