

23<sup>rd</sup> Convention of the Society for the Study of Artificial Intelligence and Simulation of Behaviour

6<sup>th</sup> – 9<sup>th</sup> April 2009, Heriot-Watt University, Edinburgh

**Adaptive &  
Emergent  
Behaviour &  
Complex  
Systems**

**Call for symposia in the following and related areas:**

**Usability of Complex Systems  
and Affective Computing**

**Pervasive, Ubiquitous  
and Mobile Systems**

**Biologically Inspired  
Complex Systems**

**Complex Systems  
and Dependability**

**Socially Inspired  
Complex Systems**

**Strong proposals in other areas are also encouraged**

<http://www.aisb.org.uk/convention/aisb09>

**Deadline for symposium proposals: 30<sup>th</sup> June 2008**

Convention Chair  
Nick Taylor  
MACS - Computer Science  
Heriot-Watt University  
Riccarton  
Edinburgh EH14 4AS
