

Programme at a Glance

Time	Monday	Tuesday	Wednesday	Thursday
8.30-9:00	8:30 Registration (Conference Centre Foyer) 08:45 Daily Announcements (James Watt Auditorium)	8:30 Registration(Conference Centre Foyer) 08:45 Daily Announcements (James Watt Auditorium)	8:30 Registration(Conference Centre Foyer) 08:45 Daily Announcements (James Watt Auditorium)	8:30 Registration(Conference Centre Foyer) 08:45 Daily Announcements (James Watt Auditorium)
9:00-10:30	9:00-9:30 Welcome Address Heriot-Watt University Principal, SSAISB Chair, Convention Chair 9:30-10:30 SESSION 1 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw A 2nd Swarm Intelligence Algorithms and Applications Symposium (SIAAS-09) Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention	SESSION 1 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw B Mental States, Emotions and their Embodiment Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention Room: Carnegie A Killer Robots or Friendly Fridges: the Social Understanding of Artificial Intelligence Room: Wardlaw A Evolutionary Systems	SESSION 1 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Mental States, Emotions and their Embodiment Room: Wardlaw A 2nd Perada Workshop on Pervasive Adaptation Room: Carnegie B AI and Games	SESSION 1 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Workshop on Matching and Meaning Room: Wardlaw A PERSIST Workshop on Intelligent Pervasive Environments Room: Carnegie B AI and Games Room: Wardlaw B 2nd AISB Symposium Computing and Philosophy
10:30-11:00	Coffee Break	Coffee Break	Coffee Break	Coffee Break
11:00-13:00	SESSION 2 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw A 2nd Swarm Intelligence Algorithms and Applications Symposium (SIAAS-09) Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention	SESSION 2 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw B Mental States, Emotions and their Embodiment Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention Room: Carnegie A Killer Robots or Friendly Fridges: the Social Understanding of Artificial Intelligence Room: Wardlaw A Evolutionary Systems	SESSION 2 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Mental States, Emotions and their Embodiment Room: Wardlaw A 2nd Perada Workshop on Pervasive Adaptation Room: Carnegie B AI and Games	SESSION 2 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Workshop on Matching and Meaning Room: Wardlaw A PERSIST Workshop on Intelligent Pervasive Environments Room: Carnegie B AI and Games Room: Wardlaw B 2nd AISB Symposium Computing and Philosophy
13:00-14:00	Lunch (included in Registration fee)	Lunch (included in Registration fee)	SSAISB AGM (James Watt Auditorium) Lunch (included in Registration fee)	Lunch (included in Registration fee)

14:00-15:30	SESSION 3 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw A 2nd Swarm Intelligence Algorithms and Applications Symposium (SIAAS-09) Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention	SESSION 3 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw B Mental States, Emotions and their Embodiment Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention Room: Carnegie A Killer Robots or Friendly Fridges: the Social Understanding of Artificial Intelligence Room: Wardlaw A Evolutionary Systems	SESSION 3 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Mental States, Emotions and their Embodiment Room: Carnegie B AI and Games	SESSION 3 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Workshop on Matching and Meaning Room: Wardlaw A PERSIST Workshop on Intelligent Pervasive Environments Room: Carnegie B AI and Games Room: Wardlaw B 2nd AISB Symposium Computing and Philosophy
15:30-16:00	Coffee Break	Coffee Break	Coffee Break	Coffee Break
16:00-17:00	SESSION 4 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw A 2nd Swarm Intelligence Algorithms and Applications Symposium (SIAAS-09) Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention	SESSION 4 Room: Carnegie B Social Networks and Multi-Agent Systems Symposium (SNAMAS-09) Room: Wardlaw B Mental States, Emotions and their Embodiment Room: Bruce A & B Persuasive Technology and Digital Behaviour Intervention Room: Carnegie A Killer Robots or Friendly Fridges: the Social Understanding of Artificial Intelligence	SESSION 4 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Carnegie B AI and Games	SESSION 4 Room: Carnegie A New Frontiers in Human-Robot Interaction Room: Bruce A & B Workshop on Matching and Meaning Room: Wardlaw A PERSIST Workshop on Intelligent Pervasive Environments Room: Carnegie B AI and Games Room: Wardlaw B 2nd AISB Symposium Computing and Philosophy
17:00-17:30	Aldebaran Robotics Nao Demonstration			
17:30-18:30	Dinner (3 courses, available at venue at extra charge)	Dinner (3 courses, available at venue at extra charge)	Dinner (3 courses, available at venue at extra charge)	Dinner (3 courses, available at venue at extra charge)
18:30-19:30	Keynote Speech Room: Main Auditorium <i>Souls in Steel: How Science Fiction has Imagined AI</i> By Ken MacLeod.	Keynote Speech Room: Main Auditorium <i>Evolutionary Computation: The Future of Machine Intelligence</i> By David Fogel.	Keynote Speech Room: Main Auditorium <i>Is there a Future for Robot Companions?</i> By Kerstin Dautenhahn.	Keynote Speech Room: Main Auditorium <i>Why Robots must be Relativists</i> By Alan Bundy.
19:30			Convention Dinner
